Speed Dating Picking a Perfect Match

At each table:

Read:

- **♥** the back cover
- ♥ the summary and subjects on the cataloging page
- ♥ the inside flap
- one random page

At this point you may choose another book from the table and repeat If you find a possible "match" you may read in this book until the music stops Write down authors and titles of any other books you like at the bottom for future check out

Move to a New Table:

Take your "match(es)" with you if you think you may want to "date" (check-out) the book You may date more than one book (not recommended for people) You may "break-up" or "ditch" a book at any time and "pick-up" another Leave your break-ups on whatever table you are on

End of the Hour:

If you do not have a book at the end of the hour, you may:

- 1. Ask the matchmakers (Mrs. Eloranta or your classroom teacher)
- 2. Choose a blind date

Check out your book and end your date with a kiss at the desk Add possible matches to your "Want to Read" shelf in Destiny Quest

Possible matches:

Title	Author
